

## **An Open Door**

Revelation 3:7-13

**The Bottom Line:** Every church has an open door before them; the command is to look.

**Introduction:** In life, we come across many doors. Doors most often represent an opportunity. Sometimes a new opportunity, sometimes a closed opportunity, but an opportunity all the same.

The church in Philadelphia had a door before them, and Jesus did not want them to miss it. All they needed to do was seek and try.

**Truth:** Jesus knew what the church in Philadelphia had before them, and He promised that when the church acted on it, they would become firm in their faith. Look with me to Revelation 3:7-13.

### **Application & Conclusion:**

Every church has an open door before them; the command is to look! Christ does not want us to flee from the church when the ground beneath us shakes. Instead,

He wants us to remain focused, and look to the open door set before us.  
Use 2 Corinthians 5:14-21 as your guide.

- Look, Christ has opened the door for you!
- Look, you have been changed!
- Look, there is an open door in front of you!

Go live out the mission, so that you may become firm in your faith, and a pillar in Christ's Church.

### **Reflection Questions:**

**1. What does this teach me about God?**

**2. What does this teach me about me?**

**3. How do I apply this to my life?**
